

**COMPANY DESCRIPTION**

Bioline Jatò is an Italian company that supports Skin Therapists' daily work with the unique Bioline Jatò® System Method: synergy of functional massages, safe and effective cosmetic products and professional treatments for a customized result-driven beauty experience.

Developed in 1979 from a school for aestheticians, we provide training programmes in compliance with the ISO9001 certified Quality System. We are present in 40 countries worldwide, in the best beauty institutes and SPAs only.

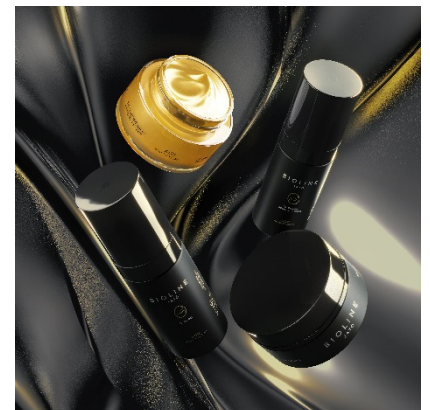

**LAUNCH PRODUCT SPRING/SUMMER 2021**

**AGE BEAUTY SECRET The Sleeping Mask – Memory Effect 50 ml**

This homecare new night mask is a real energy booster, giving visible results from the first application. Thanks to the memory-effect, the product adapts dynamically to the shape of the face, creating a compact and even layer that favors the gradual release and optimal absorption of the functional substances.

**PRIMALUCE EXFORADIANCE – illuminating exfoliating line**

An innovative peeling collection with different concentrations offers a targeted beauty action to prematurely aged, thickened, impure skin and skin with dark spots.

Functional formulas with high safety standards make Primaluce Exforadiance the clinically tested cosmetic peeling which acts on dull skin with wrinkles, dark spots and blemishes. Thanks to the well-balanced concentration of AHAs, PHAs and to the illuminating White Complex, the line guarantees maximum effectiveness and tolerability.

**DE-OX C EVOLUTION beyond vitamin C – revitalizing line**

Revitalizing treatment combining the most advanced forms of Vitamin C with innovative functional substances and active complexes which provide protection from environmental stressors and reduce oxidation and glycation processes.

Global protection against damages caused by external aggressions, preserving skin compactness and restoring the natural glow of the skin.
